Microlearning

Make a big impact on your safety program with our library of 100+ microlearning courses. Each course is built for mobile delivery, includes a quiz, and is designed to take five minutes or less to complete.

Make learning stick with compelling courses featuring full-screen video.

Learn Anytime, Anywhere
REQUEST A DEMO

Stay connected to training with a mobile app. Our course design features video rich content which can be accessed on computers, tablets and smartphones.

Interactive Courseware

Engage Employees with Compelling Content

- More than 800 SCORM compliant courses in safety, maintenance and reliability, and human resources
- 20+ languages available
- Mobile course design which enables access from a computer, tablet or smartphone
- Average course length - 30 minutes

Authoring Tool

Create Your Own Custom Online Courses

- Use a wide variety of storyboard templates
- Include self-checks and post-tests to assess employee competency
- Intuitive interface for rapid development

Learning Management System

The new DSS LMS powered by SAP Litmos provides the flexibility, functionality, and technology to deliver superior learning experiences around the globe.

- A welcoming, easy-to-navigate learner experience
- Fully responsive design accessible from any device
- Simplified learning administration and content management
- Robust and flexible reporting
- Over 30 packaged integrations including ADP, Salesforce and Zoom
- Social learning and gamification features with badging and leaderboards
- Built-in course creation, assessment, and survey tools
- Available Learning Record Store (LRS) and xAPI compliance

Experience & Reliability

We bring our customers stability, resources and innovation leading to sustainable solutions and long-term relationships.

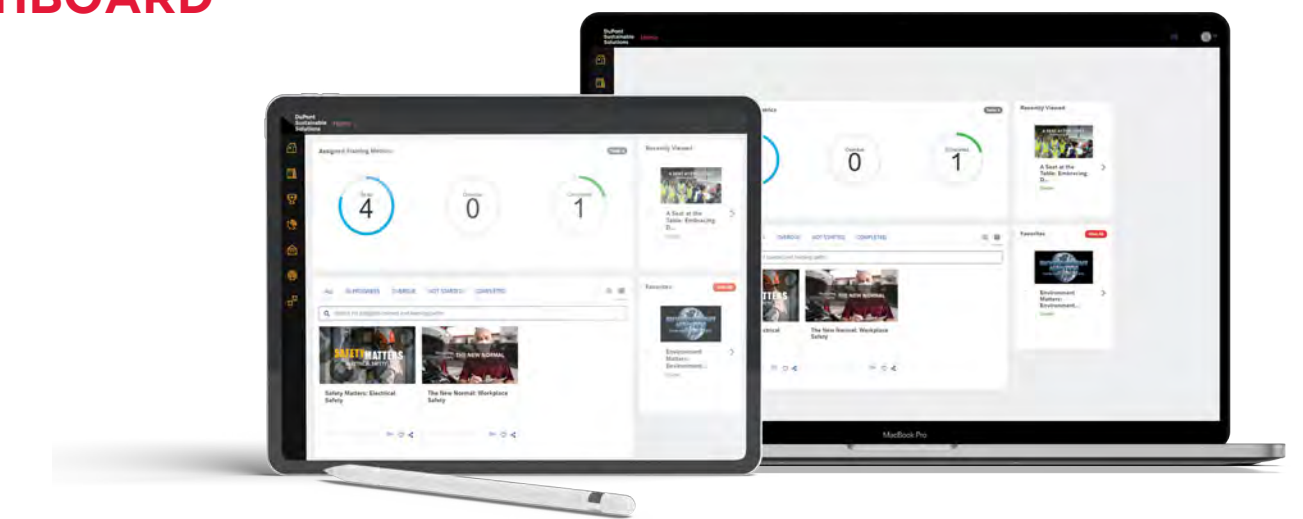

- More than 50 years of workplace training innovation
- Backed by years of real-world experience
- Courseware incorporates sound instructional design to facilitate the transfer of knowledge
- Content is reviewed by subject matter experts to help ensure compliance with health, safety, environmental, ethical and operational standards

Professional Services

Ensure a successful deployment with training, implementation support and technical assistance that meet the unique needs of your organization.

- Implementation support including customization and integration with internal and third-party systems
- Custom content creation available

DSS LEARNING MANAGEMENT SYSTEM DASHBOARD

The LMS interface provides accessibility from tablets and smartphones.

Manage users, curriculums and components as your learning needs evolve.

Digital Ecosystem includes the Learning Management System (LMS), Interactive Courseware, and Authoring Tool.

- ✓ Standardizes training with measurable results
- ✓ Available on demand
- ✓ Engaging **COASTAL** content
- ✓ Scalable applications with versatile implementation options
- ✓ Outstanding professional services

Choose From 800+ Courses

SAFETY TOPICS

Arc Flash
Back Safety
Bloodborne Pathogens
Chemical Safety
Confined Spaces
Electrical Safety
Emergency Preparedness
Ergonomics
Fall Protection
Fire Safety
First Aid
Forklift Safety
General Safety
